

Trainee Drafter

Lectel is an expanding consulting engineering firm specialising in electrical reticulation, distribution and lighting design together with telecommunications design throughout QLD and NSW.

We are seeking a drafter to join our team in our Caboolture office. This position offers a challenging environment with ongoing training along with the opportunity to grow with the company surrounded by experts in their field.

Successful applicants must have the following skills and attributes:

- ◆ AutoCAD experience
- ◆ Strong work ethic and commitment to providing high quality results
- ◆ Desire to learn and a self starter
- ◆ Good communication skills and confidence to carry out multiple tasks
- ◆ Energy, enthusiasm and excellent personal presentation

Duties include but are not limited to:

- ◆ AutoCAD drafting, modifications and drawing setup
- ◆ Plot and zip plans from CAD
- ◆ Draft plans from design concept
- ◆ Attend site visits with designers
- ◆ General office duties

Lectel offers competitive salary packages, flexibility in work arrangements together with friendly staff and a relaxed team environment.

If you have just finished school and have a keen interest in telecommunications or electrical drafting we want to hear from you. Don't miss this opportunity to kick start your career.

We are an employer who recognises and rewards the contributions and achievements of staff and have a management team who support the future career aspirations of our employees'.
